

TBH TOOLKITS COMMUNITY PRESENTATION

[CLICK HERE](#) for the TBH Toolkits Community Presentation.

This presentation gives you the tools you need to introduce the TBH Toolkits to your community, including:

- A PowerPoint slide deck of 23 slides
- Annotated scripting to guide your presentation (visible in Presenter View)
- 3 TBH brief workouts for fun, interactive “tastes” of the TBH programming
- The video “welcome” introduction from Dr. Green and Total Brain Health

The TBH Toolkits Community Presentation is provided to you in an editable format, allowing you to choose the appropriate slides for your selected toolkit courses and presentation time length. Please note that all the slides are the protected intellectual property of Total Brain Health and may not be edited individually without express written permission.
