

## CLASS 19 | IT'S A TOSS-UP!

### Worksheets

**“It's a Toss Up!” Games Worksheet.** This worksheet offers different tossing games to try with your group. You can also provide this worksheet as a handout so that attendees can try the games on their own.

### Resources

**National Horseshoe Pitchers Association.** This national organization provides information on the history, game and current ways to participate in horseshoe pitching.

**Bean Bag Toss.** Wikipedia offers a detailed history as well as directions for playing bag toss or “cornhole.”

**Otedama.** Consider introducing your group to this traditional Japanese tossing game. You can find an [explanation](#) and then [directions](#) here.

### Additional Materials

**Bag Toss.** This company has directions on their website for playing bean bag toss or “cornhole,” in addition to ways to purchase products to play the game. <http://www.bagtoss.com/>

**Horseshoes.** A simple horseshoe set that can be used indoors or outside.

**Jacks.** This classic game is a great way to “toss up” for better hand-eye coordination.
